

SITER ACADEMY PRESENTS

# MEGASYMPOSIUM

Largest Virtual Event Ever

>> 60 Speakers, 6 Days [2026]

**20-25 April 2026**

8:30-14:30 CET (Europe) - Zoom Webinar

**\$49**

Entry Ticket

FOR ALL INDUSTRY, ACADEMY & RESEARCH COMMUNITY

**ALL SPECIALIZATIONS WELCOME**

## Program

- ✓ Keynotes, Tech Talks
- ✓ Paper, Poster Presentations
- ✓ Panel Discussion
- ✓ Student Internships
- ✓ Bootcamps, Workshops
- ✓ Faculty Internships
- ✓ Microsoft Labs
- ✓ Networking Events
- ✓ Project Presentations
- ✓ The Excellence in Action Awards

**BEST RESEARCHER AWARD**

**BEST COORDINATOR AWARD**

**BEST FACULTY AWARD**

**BEST AI CAMPUS AWARD**

**BEST INTERN AWARD**

**BEST PAPER, POSTER AWARD**

**BEST HOD AWARD**

**BEST PROJECT AWARD**

**BEST INSTITUTE AWARD**

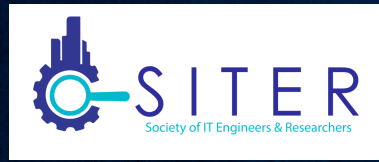

**BEST WORKSHOP AWARD**

# IMPORTANT DATES

PROGRAM	LAST DATES	ENTRY TICKET FEE
<b>Attendee Registration</b> 6 days entry and participate all programs	17 April 2026	<b>49 US Dollar</b>
<b>Paper/ Poster/ Project Presentations</b> 6 days entry and participate all programs [Submit the documents early for the peer-review & acceptance]	17 April 2026	<b>49 US Dollar</b> [Co-Authors, Co-Developers also should register separately]
<b>1 Month Internship</b> (Students, Faculty) On-spot registration open on the date of symposium	20 April 2026	<b>Reg. Fee:</b> Compliment for All Registered Attendees
<b>The Excellence in Action Awards Nomination</b> Individual Excellence/ Academic Contribution Awards	17 April 2026	<b>49 US Dollar</b>
<b>The Excellence in Action Awards Nomination</b> Institute Excellence Awards	17 April 2026	<b>99 US Dollar</b>
<b>Date of Symposium</b> Award and Certificate Distribution	20-25 April 2026	

## REGISTRATION & PAYMENT

# \$49

Rs. 4500, 19 OMR, 470 NOK

Registration fee includes entry to keynote, tech talk, panel discussion, bootcamps, workshops, presentation sessions, training keys of Microsoft labs, one month internship and networking sessions. **(Certificate of Participation** will be provided)

EDUCATION, BUSINESS, SCIENCE ETC.

## Everyday Program Plan

20-25 April 2026

Time (CET)	Activity	Details
08:30 – 09:00	Kickoff	Virtual Lobby & Networking
09:00 – 11:00	Keynotes & Tech Talks	Innovative Technologies
11:00 – 11:30	Panel Discussion	Research, Funding, Technical
11:30 – 12:30	Virtual Lunch & Learn	Casual Breakout Rooms
12:30 – 14:00	Workshops	Breakout Rooms
12:30 – 14:00	Paper Presentations	Breakout Rooms
12:30 – 14:00	Poster Presentations	Breakout Rooms
14:00 – 14:30	Awards	Recognition of Contributors
14:00 – 14:30	Bootcamps/ Internships	Spot Registration

- Casual breakout rooms focused on niche topics (e.g., AI, Data Engineering, Cyber Security, DevOps)
- Every day closing with the recognition of contributors and final price giveaways.
- The spot registrations will be opened to join bootcamps (short courses) and the student/ faculty internships during everyday closing time - the bootcamps/ internships will take place in May 2026  
**[1 Month FREE Internship/ Course for all attendees who have ticket to the Mega Symposium]**

## Over 60 Speakers, Various Technical Programs

We invite you to the SITER Mega Symposium, one of the largest virtual gatherings of technology leaders, researchers, academicians, and professionals from across the globe. Featuring over 60 distinguished speakers, the symposium brings together experts to share insights on emerging domains including Artificial Intelligence, Full-Stack Development, Data Engineering, Cloud Computing, Innovation, and interdisciplinary research.

Through keynote talks, technical sessions, workshops, and collaborative discussions, this event creates a platform for knowledge exchange, professional networking, and global learning for students, researchers, and industry professionals alike. The symposium offers a dynamic environment for participants to explore new ideas and connect with global experts shaping the future of technology.

### Benefits to Attendees

LEARN. CONNECT.  
INNOVATE. GROW.

- **Global Expert Insights** – Learn from 60+ international speakers across key technology domains.
- **Exposure to Trending Technologies** – AI, Cloud Computing, Data Engineering, Full-Stack Development, Cyber Security and more.
- **Hands-On Workshops & Labs** – Practical sessions including bootcamps and Microsoft Labs.
- **Global Networking Opportunities** – Connect with professionals, researchers, and students worldwide.
- **Internship & Career Opportunities** – Explore real projects and potential career pathways.
- **Certificate & Recognition** – Official participation certificate and opportunities for awards.

## Keynote Sessions & Tech Talks

The SITER Mega Symposium Keynote Sessions and Tech Talks bring together global experts, innovators, and thoughtful leaders to share insights on technologies shaping our future. These sessions deliver valuable insights, practical experiences, and forward-looking ideas on how technology is transforming industries and creating new opportunities. Participants will gain exposure to global trends, real-world case studies, and expert perspectives from international speakers. The sessions bridge the gap between academic knowledge and industry practice, inspiring both students and professionals to innovate and stay ahead in the evolving technology landscape.

- Artificial Intelligence & Machine Learning
- Cloud Computing & Distributed Systems
- Data Science & Analytics
- Full-Stack Development & Software Engineering
- Emerging Technologies & Digital Innovation
- Cybersecurity & Scalable Systems
- Research and Industry Collaboration
- Technology Entrepreneurship & Innovation

## Panel Discussion

The Panel Discussion sessions are designed as interactive conversations where experts exchange ideas and explore solutions to real-world technology challenges. Rather than one-way presentations, these discussions invite participants to engage with experienced professionals and gain practical viewpoints on how innovation is shaping industries. Attendees will have the opportunity to listen to diverse perspectives, ask questions, and understand how professionals approach complex problems in the evolving digital ecosystem.

- **Interactive Expert Conversations** – Engage with panelists and explore diverse viewpoints on technology and innovation.
- **Real-World Challenges & Solutions** – Learn how experts address practical issues in modern technology environments.
- **Participant Engagement** – Ask questions, share ideas, and be part of discussions shaping the future of the digital world.

## Bootcamps, Microsoft Labs

The SITER Mega Symposium Bootcamps and Microsoft Labs offer hands-on learning through interactive cloud-based lab environments and guided technical sessions. Participants attending the symposium will have the opportunity to access SITER's training labs and join specialized bootcamps, working with real industry tools and development platforms. Explore, experiment, and gain practical experience with technologies shaping the future.

- AI, ML, Microsoft Azure, Cloud, Full Stack
- Data Engg., DevOps, Cyber Security
- Real World Project Simulations

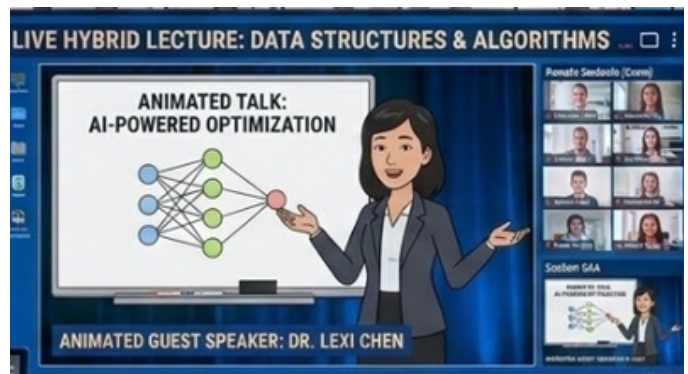

[Click Here for Training Lab](#)

## Workshops

The SITER Mega Symposium features high-impact workshops on emerging technologies, designed to provide participants with practical knowledge and hands-on experience.

Led by world-class professors, industry experts, and technology leaders, these workshops offer a unique opportunity to explore new tools, techniques, and innovations through guided interactive sessions. Participants will gain valuable insights and practical skills that can be directly applied in academic, research, and professional environments.

## Networking

Today's global technology ecosystem thrives on connections, collaboration, and knowledge exchange. The SITER Mega Symposium brings together participants, experts, and innovators from multiple countries, creating a truly international platform for meaningful connections through virtual lobby sessions, niche breakout rooms, and interactive discussions.

Networking provides a powerful platform to engage with professionals worldwide and turn ideas into real opportunities. Strong professional networks are key to unlocking new opportunities.

## Call for Abstract Paper Presentations

Paper presentations provide a valuable platform for students, researchers, and academicians to share their ideas, innovations, and research contributions with a global audience. The SITER Mega Symposium encourages participants to present their work, receive expert feedback, and engage in meaningful academic discussions. This is an opportunity to showcase your research, gain international exposure, and contribute to the advancement of knowledge. Submit your paper and be part of a global research dialogue.

- Artificial Intelligence & Machine Learning
- Data Science & Big Data Analytics
- Cloud Computing & Distributed Systems
- Full-Stack Dev & Modern Web Technologies
- Cybersecurity & Privacy Engineering
- Internet of Things (IoT) & Smart Systems
- Blockchain & Decentralized Technologies
- Digital Transformation & Emerging Technologies
- AI in Healthcare, Education & Industry
- Software Engineering & Scalable Systems

## Abstract Guidelines

- Abstract must be original and from your own research. Download and use our **Abstract Template** for the submission. **Zoom Presentation:** 10 minutes + 5 minutes Q&A
- **Selection Criteria:** Originality, technical quality, relevance to symposium themes, clarity and impact.
- **Best Paper Presentation Award:** Certificate of Appreciation + Free Holiday Voucher.
- **Registration Deadline:** 06 April 2026 (early submission of abstracts are encouraged for faster review & acceptance).

## Abstract Submission

Download the Abstract Template, fill up and email to [service@siteracademy.no](mailto:service@siteracademy.no) with subject "Mega Symposium 2026 Abstract Submission".

## Steps

- Submit the Abstract for review
- Get the Acceptance of Abstract notification via Email (modify as per the comments from the reviewers)
- Confirm the Mega Symposium Registration
- Abstract Presentation (download and use the Presentation PPT)

Download Abstract  
Submission Template

Download Abstract  
Presentation PPT

## Call for Poster Presentations

Turn your ideas into impact. Poster presentations provide a fast-paced platform to visually communicate innovative concepts, emerging research, and practical solutions.

Engage directly with experts, spark conversations, and bring your ideas into the spotlight.

Share your work, inspire discussion, and let your ideas be seen.

## Guidelines

- Poster must be original and from your own research. Download and use our **Poster Template** for the submission. **Zoom Presentation:** 10 minutes + 5 minutes Q&A
- **Selection Criteria:** Originality, technical quality, relevance to symposium themes, clarity and impact.
- **Best Poster Presentation Award:** Certificate of Appreciation + Free Holiday Voucher.
- **Registration Deadline:** 06 April 2026 (early submission of posters are encouraged for faster review & acceptance).

## Poster Submission

Download the Poster Template, fill up and email to [service@siteracademy.no](mailto:service@siteracademy.no) with subject "Mega Symposium 2026 Poster Submission".

## Steps

- Submit the Poster for review
- Get the Acceptance of Poster notification via Email (modify as per the comments from the reviewers)
  - Confirm the Mega Symposium Registration
  - Poster Presentation (download and use the Poster Template)

Download Poster Template

## Call for Project Presentation

Project presentations offer participants the opportunity to showcase innovative ideas and practical solutions developed through their projects. This platform allows presenters to receive expert feedback from developers, researchers, and industry professionals, helping refine their concepts and improve future development.

Participants can also gain valuable guidance on project funding opportunities, grants, and intellectual property aspects such as patents and copyrights, while connecting with experts who can support the next stage of their innovation journey.

## Guidelines

Projects completed under the supervision of SITER, other institutes or individual initiatives are eligible.

- Demonstrate executable system and a PPT presentation.
- **Zoom Presentation:** 10 minutes presentation + 5 minutes Q&A.
- **Selection Criteria:** Innovation, implementation potential, and user-friendly system design.
- **Best Project Award:** Certificate of Appreciation + Free Holiday Voucher.
- **Registration Deadline:** 06 April 2026 (early submission of project proposals are encouraged for faster review and acceptance).

## Project Idea Submission

Download the Project Submission Template, fill up and email to [service@siteracademy.no](mailto:service@siteracademy.no) with subject "Mega Symposium 2026 Project Submission".

## Steps

- Submit the Project Submission Template for review
- Get the Acceptance of Project notification via Email
- Confirm the Mega Symposium Registration
- Project Presentation (Executable System)

Download Project  
Submission Template

## Call for Internship: For Students, Faculties

The SITER Mega Symposium offers valuable opportunities for both students and faculty members to extend their learning beyond the event. Students attending the symposium will have the opportunity to apply for a one-month internship program, where they can gain practical experience by working on real projects and technology initiatives under expert guidance.

Faculty members can participate in Faculty Development Programs (FDPs) and research-oriented internships, designed to strengthen academic collaboration, explore emerging technologies, and enhance teaching and research capabilities. Through these initiatives, participants can continue their learning journey with SITER's professional programs, training labs, and collaborative research activities, creating opportunities for skill development, innovation, and global academic engagement.

### Opportunities Available

- One-Month Internship Program
- Research Collaboration Opportunities
- Hands-On Technology Project
- Industry-Oriented Training Program
- Access to SITER Training Labs
- Mentorship from Global Experts
- Skill Development in Emerging Technologies

### Tasks in the Internship Program

- Fully supervised project development in one of the selected domain areas.
- Projects based on Agile/ Scrum methodology.
- Industry based project design and development.

### Who is Eligible?

- Students, Faculties and Researchers
- Industry Professionals

### Important Dates - Internship Program

- **Internship Registration:** 20 April 2026 (During the Symposium Technical Program)
- **Internship Orientation:** 26 April 2026
- **Internship Start Date:** 27 April 2026
- **Internship End Date:** 25 May 2026

### Advantages of Internship

- Industry Experience from Norway
- Certificate of Internship and Course Completion
- Upskill/ Reskill and Hands-on Projects
- Microsoft Labs for the Practicals

### Internship Domains

- AI Engineering
- Data Engineering
- Microsoft Azure Cloud Computing
- Full Stack Development: Asp.Net C# & React Js

## How to apply for Internship?

- All the attendees of the SITER mega symposium are eligible for the 1 month internship program. The Internship and course completion certificate will be provided.
- During the symposium opening day, every attendees will get a separate registration form for the internship participation. The same will be informing through the virtual meeting platform.

## Call for Award Nominations

Celebrating Innovation, Research Excellence & Academic Leadership

The SITER Mega Symposium Awards recognize outstanding contributions from individuals, researchers, faculty, students, and institutions that are shaping the future of technology and education. Winning an award not only brings global recognition but also opens doors to new collaborations, internships, publications, and career opportunities.

Nominations are open to students, researchers, faculty members, professionals, industry experts and institutions worldwide. You may self-nominate or be nominated by your institution/ peer.

### Individual Excellence Awards

- Best Paper Presentation Award
- Best Poster Presentation Award
- Best Project Award
- Best Workshop Contribution Award

### Individual Excellence Awards

- Best Researcher Award
- Best Faculty Award
- Best Intern Award
- Best HOD Award
- Best Coordinator Award

### Institutional Excellence Awards

- Best Institute Award
- Best AI Campus Award

**Deadline for Nomination:** Rolling Deadline

**Winners Announced:** Everyday at the end of the closing session (20-25 April 2026)

### Why Nominate?

- Global visibility and prestige
- Official Certificate
- Networking with 60+ International Experts
- Priority access to Internships and SITER Talent Pool

## BEST RESEARCHER AWARD

- Honors individuals with significant contributions in research, innovation, and knowledge creation
- Recognizes work that demonstrates originality
- Highlights academic impact and influence
- Values relevance to emerging technological and interdisciplinary domains

## BEST HOD AWARD

- Presented to Heads of Departments.
- Honors outstanding academic leadership.
- Recognizes departmental growth & development.
- Commends efforts in fostering research culture.
- Highlights promotion of innovation.
- Celebrates commitment to academic excellence.

## BEST FACULTY AWARD

- Recognizes faculty excellence in teaching.
- Honors effective mentoring of students.
- Commends research guidance and support.
- Celebrates contributions to student development.
- Highlights role in academic innovation.
- Acknowledges efforts in advancing knowledge.

## BEST INTERN AWARD

- Recognizes faculty excellence in teaching.
- Honors effective mentoring of students.
- Commends research guidance and support.
- Celebrates contributions to student development.
- Highlights role in academic innovation.
- Acknowledges efforts in advancing knowledge.

## BEST COORDINATOR AWARD

- Presented to coordinators of the symposium.
- Recognizes active contribution to successful organization and execution.
- Honors individuals with strong leadership qualities.
- Commends effective coordination and teamwork.
- Appreciates dedicated efforts in event planning.

## BEST INSTITUTE AWARD

- Awarded to institutes showing academic excellence.
- Recognizes strong leadership and institutional growth.
- Highlights research culture and innovation initiatives.
- Celebrates commitment to student development and success.

## BEST AI CAMPUS AWARD

- Presented to campuses excelling in AI education and innovation.
- Recognizes integration of AI in academics and research.
- Honors student engagement in AI projects and learning.
- Celebrates modern infrastructure and forward-thinking initiatives.

## BEST PROJECT AWARD

- Awarded for innovative and impactful projects.
- Highlights practical application of knowledge.
- Recognizes creativity, problem-solving, and execution.
- Celebrates projects with real-world relevance and outcomes.

## BEST WORKSHOP CONTRIBUTION AWARD

- Award presented to Resource Persons.
- Content must be original and authentic.
- Should include real-world examples relevant to the modern generation.
- Past speakers of SITER Academy are also eligible.

## BEST PAPER PRESENTATION AWARD

- Presented for outstanding paper presentation.
- Recognizes clarity, originality, and depth of research.
- Honors effective communication of ideas and findings.
- Commends engagement with audience and scholarly impact.

## BEST POSTER PRESENTATION AWARD

- Presented for exceptional poster design and delivery.
- Recognizes visual clarity and effective communication.
- Honors originality and research contribution.
- Commends engagement and explanation to viewers.

## How to Submit Nomination?

Submit your **RESUME/ CV** via email: [service@siteracademy.no](mailto:service@siteracademy.no) with the email subject '**AWARD NOMINATION- Mega Symposium**'.

While sending email, provide the following information:

**Full Name:**

**Institution Name:**

**Email:**

**Mobile No:**

**Award Category:**

Once we receive your email with above information, our award committee will verify your professional expertise. After the committee's approval on your profile, we will acknowledge your email with the **nomination id** and **payment link** with the instructions to confirm your nomination.

**Note:** individuals may self-nominate to put themselves forward, while institutes may nominate deserving students, faculty, or staff for recognition. **If you have any queries, contact through email: [service@siteracademy.no](mailto:service@siteracademy.no)**
